Those Who Enlisted in the Organization When Formed at Close of War-Opening of Drill Season.

Forty-six years this week the organization which is now known as the Fifth company. Coast Artillery corps was formed in this city by men who had served in the civil war. The anniversary fell on Monday, but it was observed Tuesday evening by the company in their room in the arminers which a most enjoyable time resulted. It was a company affair, and marked the opening of the drill season of the company, a large number being in attendance.

After calling the company to order, Captain Tarbox stated that fifty years ago Monday the special session of the legislature called by the governor regarding war funds adjourned. The First, Second and Third regiments had for returned and been mustered out, and many of the members had joined other regiments. The Fourth and Fifth were in the service, while the Sixth, Seventh, Eighth ant Ninth had been organized, and the governor rad issued orders for the Tenth. Fifty years ago tuesday, he said, the Eighth regiment left, and 46 years ago the company of which the present is a descendant, was formed as Company C. T. Third infantry, C. N. When the Stomach Stops

Working Properly, Because There Is Wind In It, Use Stuart's Dyspepsia Tablets To Set It Going Again

A Trial Package Free. The doctors call it flatulency, but unprofessional folks know it as "wind on the stomach," and a most distressing state of things it is. It is a serious condition of this great motor organ. Always annoying and painful in the extreme, at times often leading to bad and fatal results. The stomach embarassed and hampered with wind cannot take care of its food properly and indigestion follows, and
